Kentfield School District Board Meeting Highlights
May 13, 2014

Fran Yang and Shelly Thelen presented on the implementation of Common Core Math across the District. Teachers are pleased with the increased rigor in the curriculum. Third grade students presented their group projects and a video of classroom discussion of math centers was screened. The plans for adopting Math instructional materials was discussed.

Sally Peck presented potential classroom configurations at Bacich for 2014-15 based on projected enrollments. Class sizes at Bacich will likely increase and the Board directed our Chief Business Official Barbara Johnson to budget for additional aide support to facilitate the use of small learning groups.

Kent Centennial Chair Marilee Rogers and muralist Erin Sorensen were thanked and honored for their work on May 3rd.
