Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

- Schoolwide Program
- Comprehensive Support and Improvement
- Targeted Support and Improvement

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Kent Middle School (KMS) and the Kentfield School District (KSD) are committed to the academic, social, and creative success of every student in our system. Strategic, specific, and actionable goals have been formalized through the KSD LCAP, naming student academic success, nurturing exceptional educators, fiscally responsible budgeting, and community partnerships as four key goal areas for focus in the coming years. This SPSA plan provides greater focus on specific actions our school will take to address the academic and social/emotional needs of every Kent learner, focusing most intently on students who are not yet achieving grade level benchmark, and/or students who are not showing adequate academic progress. Further, our plan highlights the need to address specific demographic groups on our campus, including English Language Learners, students of color, and students of lower socio economic status. We intend to leverage professional development to further advance our exceptional staff’s capacity in standards based feedback practices, culturally responsive teaching, rigor and differentiation, to better meet the needs of all groups on our campus. Our plan further engages community in our academic program, and considers the importance of parent/community education and partnership in our academic and social endeavors.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

During the development of this SPSA plan, the school worked closely with Kent Middle School Site Council to assess our current program, monitor progress on our previous year's SPSA plan, and develop goal areas and actions for the future. The school worked with Grade Level Chairs representing each grade level, as well as Curriculum Coordinators representing each curricular group to discuss and plan to implement the action items captured in this plan. The school discussed goals and actions as a part of staff meetings and informal planning meetings. Additionally, school goals and action items have been discussed with the KSPTA as a part of the principal update at regularly scheduled general PTA meetings, during a community Principal Coffee, during site ELAC meetings, and a district DELAC meeting.

Conclusions based on this data:

1. Kent Middle Schools is a predominantly white community, with Latinx students making up the second largest demographic group. Given the disproportionate demographic make-up of our school, students of color may feel a lesser sense of belonging and inclusion at our school, a reality that we must address.

Grade 8		31.16			60.14			8.70	
All Grades		31.37			60.98			7.65	

Conclusions based on this data:

1. There is a trend (not entirely consistent) that fewer students are performing below standard as they progress through the grades at Kent. This trend appears fairly consistent in each modality of literacy, with some outliers.
2. Between 85 and 90% of our students are reading at or near grade level standard.
3. Reading, Listening, and Research/Inquiry are three relative areas of strength for our students in literacy, while Writing is a relative area for growth.

Conclusions based on this data:

1. Between 55 and 70% of our students are meeting or exceeding standard in mathematics.
2. Communicating Reasoning is one relative areas of strength for our students in mathematics, and Concepts/Procedures and Problem Solving are two areas for growth.
3. There does not seem to be a clear pattern of improvement nor decline as math instruction progresses through they grades.

Conclusions based on this data:

1. Students generally take between two and six years to achieve proficiency in the English Language, and those time frames generally reflect our students' typical progress through proficiency levels.
2. Once students have reached reclassification status, we monitor progress for four years, and students generally continue to achieve grade level proficiency once reclassified.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

Total Number of Students enrolled in Kent Middle School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	20	3.9
Foster Youth		
Homeless	3	0.6
Socioeconomically Disadvantaged	60	11.7

Filipino	2	0.4
Hispanic	81	15.9
Two or More Races	68	13.3
Pacific Islander	1	0.2
White	329	64.4

Conclusions based on this data:

1. We are a predominantly white school, so we must pay particular attention to the needs of students of color, who may not feel a sense of belonging, or may feel that their identities are not reflected in our school program and school community.
2. The percent of students with disabilities at our school surpasses the typical average (5-10%) at 15.5%.
3. While 12% socially economically disadvantaged is a relatively small percentage of our school, it is essential that we strategically plan around the needs of these students.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

1. Students are generally achieving success and progress in English Language Arts and mathematics, with ELA as the clear area of strength.
2. Chronic Absenteeism and attendance patterns in general, needs to be monitored and improved.

Current English Learner	Reclassified English Learners	English Only
115.0 points below standard 12 Students	8.3 points below standard 41 Students	55.3 points above standard 402 Students

Conclusions based on this data:

1. We need to improve the ways we are serving our English Language Learners to ensure appropriate progress in English Language Arts.
2. We need to improve the ways we are serving our Socioeconomically Disadvantaged students to ensure appropriate progress in English Language Arts.
3. We need to improve the ways we are serving our Students with Disabilities to ensure appropriate progress in English Language Arts.

Conclusions based on this data:

1. Chronic Absenteeism is an issue at our school that we need to improve upon, affecting all demographic groups, but students with disabilities and Hispanic students most significantly.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Engage, support and challenge all students to eliminate the opportunity gap.

Goal 1

By June, 2024 all Kent students will meet grade level standards in English Language Arts and Mathematics as measured by the MAP Growth Assessment or CAASPP Assessment, and/or meet at least one trimester of progress targets as measured by the MAP Growth assessment. Students with an identified learning profile requiring goals and services will meet goal areas in reading and mathematics.

Identified Need

Not all students are performing at grade level. Students who are not performing at grade level need supports to accelerate their learning.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
MAP Growth Assessment in Reading	Between 70 and 90% of grade levels are meeting standard in ELA.	Students meet grade level benchmark in reading and/or meet at least one term's growth target.
MAP Growth Assessment in Mathematics	Between 70 and 90% of grade levels are meeting standard in Math.	Students meet grade level benchmark in mathematics and/or meet at least one term's growth target.
CAASPP ELA	Between 60 and 80% of grade levels are meeting standard in ELA	Students meet or exceed standard on the CAASPP ELA assessment.
IEP Goal Progress	TBD	Students who do not yet meet grade level benchmark nor meet at least one term's growth target on MAP Growth, will meet goals in the areas of reading and mathematics.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We implemented all of the actions captured in the 2022/23 SPSA for Kent Middle School. While we did not reach our goal of 100% of students meeting grade level benchmark in language arts and

mathematics and/or students meeting growth targets, we did capture significant progress among our students in language arts and mathematics. Based on MAP Growth formative assessment data administered in the fall and winter, between 75 and 90% of Kent students were meeting grade level benchmark. We also saw many students who did not meet grade level benchmark, meet one trimesters worth of growth target.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We implemented our plan as written for the 2022/23 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Our primary focus this coming school year will be to accelerate student learning across all demographic groups, especially as we provide more detailed standards based feedback. We are committing to a data-driven model of regular data monitoring and analysis of student work to inform decision making and instructional approaches. We are also further improving our feedback and grading system, and intend to monitor the efficacy of this change on student learning outcomes.

Goals, Strategies, & Proposed Expenditures

LEA/LCAP Goal

Provide a safe and inclusive education environment that leverages community partnerships and supports alignment of core beliefs.

Goal 2

All Kent students report experiencing a safe and supportive school environment, as reflected in YouthTruth student survey responses.

Identified Need

Due to a variety of factors, not all Kent students report experiencing a safe and supportive school environment.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
YouthTruth Student Survey	Between 65 and 80% of Kent students report feeling safe and supported at school.	Students report experiencing a safe and supportive school environment, as evidenced by student responses to school climate specific questions.
YouthTruth Community Survey	Generally, Kent families report that their students feel safe and supported at school.	Families report their children experiencing a safe and supportive school environment, as evidenced by family responses to school climate specific questions.
YouthTruth Staff Survey	Generally, Kent staff report that students seems safe and supported at school.	Staff report a safe and supportive school environment, as evidenced by staff responses to school climate specific questions.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We implemented all actions as written in the 2022/23 SPSA plan for Kent Middle School. Review of relevant YouthTruth data suggests that between 68 and 85% of Kent students report feeling safe and supported at school, depending on the grade level.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We implemented all actions as written in the 2022/23 SPSA plan for Kent Middle School.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We continue to emphasize the importance of relationships, relevance, and rigor in education, and have prioritized fostering relationships between teachers and their students, so that instruction is personalized and individualized, and trust is nurtured. We are further developing leadership opportunities for older students at our school, and coordinating monthly grade level assemblies for more connection between students, their peers, timely topics, and grade level themes.

Goal 3

Kent Teachers and staff report high job satisfaction, consistent support for their teaching practice, and collaborative relationship with colleagues and staff, as evidenced by staff YouthTruth survey results.

Identified Need

Staff need to feel valued, supported, challenged, and effective in their work.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We implemented the 2022/23 SPSA plan as written, and results on our YouthTruth survey among faculty suggest that between 90 and 95% of Kent staff feel supported and valued in their work.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We implemented the 2022/23 SPSA plan as written.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

With our continued focus on standards based grading, we intend to keep a close eye on the support of staff through this important change. Additionally, with increasing behavior challenges among our students, we will need to monitor staff comfort with administration's response to discipline situations.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 3 Other School Staff
- 6 Parent or Community Members
- 5 Secondary Students

Name of Members	Role
Grant Althouse	Principal
Alice Whitt	Classroom Teacher
Melissa Stephens	Classroom Teacher
Catherine Teller	Other School Staff
Jeanne Sellers	Other School Staff
Wendy Holmes	Other School Staff
Vivienne Fitzgerald	Secondary Student
Ayansh Singh	Secondary Student
Ale Levi	Secondary Student
Vanessa McCloskey	Secondary Student
Jennifer Hamm	Parent or Community Member
Cari Irwin	Parent or Community Member
Deb Crudo	Parent or Community Member
Lisa Lalanne	Parent or Community Member
Megan Hirschbein	Parent or Community Member
Tory Grigg	Parent or Community Member
Cade Bouligny	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

Other: KSPTA

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 6/7/22.
