Return to School Roadmap

Rethinking School
In the COVID-19 Environment

Update May 2020

Return to School Roadmap - Process

Convene Multidisciplinary Committee

Sub-Committee Work:

Governance	Physical Health	Mental Wellness
Instruction	Operations	Facilities
Technology		

Return to School Roadmap - Purpose

Committee Purpose:

- Ensure the **physical and social-emotional well-being** of students and staff as we navigate the continuance of teaching and learning
- Keep the focus on **eliminating the achievement gap while providing a rich, high-quality academic program** in whatever physical configuration is allowed
- **Optimize financial and human resources** while maintaining a balanced budget
- Engage the entire school community in **bold thinking** to surmount this challenge

Adapted from District Strategic Plan

Decisions based on *Public Health* Guidance

Return to School Roadmap - Status

What is Known

- Classroom-based & Virtual Instruction
- Reconfiguration of Facilities
- Essential Protective Equipment (EPE)
- Ongoing Training - Monitoring

What is Unknown - *Investigatable*

- Vaccine/Testing?
- Funding
- *Will parents send students to school?*
- Student Cohort Size
- *Staffing Needs*
- *What about students who can not attend?*

Return to School

Roadmap - Focus

Narrowing the Focus to....

- District Steering Committee
- Site-Specific Task Force: Safety & Well-Being
- Instruction Sub-Committee
- Survey Sub-Committee

Using **What We Know** to Guide the Plan.....

Purpose: Ensure the **physical and social-emotional well-being** of students and staff as we navigate the continuance of teaching and learning

Site Specific Safety Task Force

Actionable Steps:

- Design and Communicate a Site Plan for Safety
- Inventory and Purchase Necessary Materials
  - Essential Protective Equipment
- Establish Social Emotional Wellness Screening Process
- Identify necessary training and ongoing monitoring
- Determine timeline for implementation

Instruction Sub-Committee

Purpose: Keep the focus on **eliminating the achievement gap while providing a rich, high-quality academic program** in whatever physical configuration is allowed

Actionable Steps:

- Research, evaluate and determine instructional options based on student needs in alignment with Public Health
- Identify benchmark screening and progress monitoring
- Prepare contingency plans in anticipation of Public Health updates/adjustments

Survey Sub-Committee

Actionable Steps:

- Determine survey purpose to guide design
- Review surveys administered and response rate
- Determine timeline for survey disbursement and return
