Board Meeting Highlights

The Board honored outgoing retirees and incoming tenure recipients at this meeting. Ten-year Kent librarian Beth Brittonsmith, 24-year teacher Nancy Kniesche, and 8-year school psychologist Anna Minton were thanked for their service and given engraved vases as a token of the district's appreciation. The Board then acknowledged the granting of permanent status to Michael Bessonette, Abigail Davis, Alison Roth, and Cass Walsh, all teachers currently working at Bacich.

Outgoing kik co-presidents Connie and Jeff Zlot were thanked by the Board and administration for their years of service to the foundation and to the District. It was noted that they are great leaders and never shy away from rolling up their sleeves and getting their hands dirty.

The Board approved the district's response to the Grand Jury report on website transparency which was issued earlier in the Spring. Improvements suggested by the Grand Jury with which we concurred were implemented. Where we did not agree, explanation was given. Details are available [here](#).

The Board's next regularly scheduled meeting will be on August 23, 2016, in the District Office at 750 College Avenue.
