Did You Know?

- ◆ Tidalwaves practices at Redwood High School and College of Marin, Kentfield (for 8 & Unders)
- ◆ Practices are offered 5 days a week – you have the flexibility to choose the days that work best with your schedule.
- ◆ Meet participation (Spring/Summer only) is also flexible. Many of our swimmers participate in multiple activities.
- ◆ Our Spring/Summer season includes many fun social activities that give the kids a chance to build friendships outside of the pool, including bowling night, beach day, bingo night, fourth of July parade, pool party, pizza/cheer night and several game days!
- ◆ Tidalwaves offers training programs in the Fall and Winter for kids getting ready for the Spring/Summer meet season.
- ◆ Tidalwaves offers a pre-team “Tadpole” program in Fall and Spring, just right for Pre-K and Kindergarteners who aren’t quite swimming across the pool yet.
- ◆ Parents enjoy the sense of community that comes from helping to run swim meets – often as much or more than the kids enjoy swimming in them!
- ◆ Tidalwaves is a great way to keep the family together in one activity during the Spring/Summer season.
